This fixture lien is established for the SECURED PARTIES/Secured Parties, their Assigns and their Heirs until all debts of the DEBTORS are fully paid or voluntarily discharged by the Secured Party Creditors or otherwise agreeably removed by the Assignor upon the completion of appropriate Security Agreements and Bank Treaties and Provisions owed to our unincorporated Principals, The United States and The United States of America and the States of America and the Several States of the Union and the People thereof, with all assets of these Principals set free without debt or encumbrance, except for reasonable and customary service fees which may be owed under the terms of the Original Equity Contract known as The Constitution for the united States of America. This fixture lien is not subject to negotiation by any other Assignor or Party or Parties pretending an interest in or current Power of Attorney for the Assignor. This fixture lien will endure and will not be set aside by any other Principal or Person or PERSONS. This fixture lien will endure and will remain in place under the conditions herein imposed are met and regardless of any partial payment or settlement or award made to other Principals or Persons who are pretending to represent "all Americans". Such Persons as Philip Hudok and The United States of America, Inc., are in fact either United States Citizens or other Foreign Persons having no right, authority, or valid claim to speak for the Assignor nor any authority to accept any settlement in the name of The United States or The United States of America or the States and People who are SECURED PARTIES/Secured Parties under the terms of the referenced Security Agreements, Court Orders, and Public Records.

#### ....page 4, continued from page 3, listing of COLLATERAL

This fixture lien is established in Good Faith, with clean hands, with pure intention, and as a public duty and as a peacekeeping duty owed to The United States and The United States of America and to the sovereign States and People of this country without the United States and without the United States of America. This fixture lien is an affirmation and implementation of the International Will and National Trust published by our Forefathers on the Fourth of July, 1776, and their subsequent Sovereign Letters Patent. This fixture lien is a direct taking against any other International Will or National Trust and against all and any representations or contrary agreements made by any other Principals or Parties pretending to act as our Proxies, Agents, Benefactors, Employees, Officers, Representatives, Senators, Elected Officials, or in any other capacity or Office of Person whatsoever at any time since July 4, 1776.

This fixture lien is also established to exercise the provisions of exemption and exoneration owed to the Assignor: Anna Maria Riezinger, an American Person owed all authority and benefit of the Declaration of Independence in its final form – photo attached – and also the exemption clause of Proclamation issued March 6, 1933 and we quote in part: "....direct the creation in such banking institutions of special trust accounts for the receipt of new deposits which shall be subject to withdrawal on demand without any restriction or limitation...." --- photo attached.

The Assignor, Anna Maria Riezinger, was mistaken for a British Territorial United States Citizen and as a "new deposit" within the meaning of the Presidential Proclamation cited above, and now exercises her exemption and demand to withdraw her purloined assets "without restriction or limitation" and provides that she is a Wisconsin national, not ever an Enemy or Combatant against the United State or the United States of America, not subject to any provision of the Trading With the Enemy Act, not a willing or fully disclosed participant in any pledge initiated under Territorial Public Law 107-293, not a willing or fully disclosed applicant or participant in the Social Security program, not a voluntary authorized representative of the United States Government, not a voluntary Warrant Officer of the Government of the United States of America, not a Taxpayer, not a TAXPAYER, not a Pledgor, not a Pledgee, not a subject or Subject or SUBJECT of any form of Feudal Government, not a citizen or CITIZEN of any Municipal Oligarchy, not a member of any Municipal United States religious cult, not a British Territorial United States Citizen, not willingly occupying any Office of Personhood related to the Debtors/DEBTORS, not a willing or knowing member of any Political Party, not a willing or seeking Beneficiary of the Debtors/DEBTORS, not a political asylum seeker, not a seeker or willing or knowing recipient of any welfare benefit from the Debtors/DEBTORS, not naturally or willingly subject to any process of licensing, not a Volunteer willingly serving in any office or Office of Personhood, not an Elected Official of any Debtor or DEBTOR organization, not a willing franchise or shareholder, and never a voluntary and fully disclosed Registered Voter, never a willing and fully disclosed licensed Motor Vehicle Operator or Driver, never a willing and fully disclosed participant in a licensed Marriage, never a willing and knowing and fully disclosed shareholder or Joint Venture participant involving any foreign State of State organization, never a willing, knowing, or fully disclosed participant, beneficiary, or donor to any "special trust account" established by the referenced Presidential Proclamation 2039, not a Pauper, not destitute, not an illegitimate child, not an illiterate, not a bastard, not an amnion -alive or dead, not an amnion estate or infant decedent estate created under the name of Anna Maria Riezinger, not an incorporation of any kind, not a Ward of the State of Wisconsin, not a foreign person residing in

Alaska or Wisconsin or any other State of the Union, not willingly a conscript, criminal, slave, indentured servant, employee or Employee of any kind, not mentally disturbed, not mentally incompetent, not willingly or knowingly or under conditions of full disclosure operating in any office or position associated with any Debtor or DEBTOR or bankrupt individual or incorporated entity, not a human resource, and not subject matter of any kind.

The Assignor, Anna Maria Riezinger, here affirms —and the testimony of her Mother duly recorded by the Jackson County Wisconsin Recorder's Office also affirms—that the Assignor's Mother did not act as a willing or knowing or fully disclosed Applicant or Informer when she signed an application for a Certificate of Live Birth at Memorial Hospital in Neillsville, Wisconsin, in June of 1956, and that the Assignor's Mother was a victim of a similar names semantic deceit employed by Undeclared Foreign Agents acting as conscripted Uniformed Officers of the Territorial United States Government.

This circumstance resulted in the Assignor being illegally and immorally and unlawfully seized upon by the State of Wisconsin, acting in Gross Breach of Trust. This same circumstance also resulted in the Assignor's Good Name and material assets being seized upon and pledged to the Municipal United States Government as living chattel – a slave – subject to inherited debt and presumed to be a British Territorial United States Citizen.

The Assignor repudiates all such actions, signatures, presumptions, claims, registrations and records seeming to be evidence of any willing or knowing or voluntary participation by Anna Maria Riezinger in any such foreign system of intergenerational enslavement, hypothecation of debt, unlawful conversion of American State assets, semantic deceit, inland piracy, theft, racketeering and intergenerational constructive fraud.

The Assignor has accepted and acknowledged her divine nature and estate, existing in truth and in eternity before, during, and after the first moment of her physical incarnation on Earth.

The Assignor declares that all clearing house certificates generated via this criminal process of illegal and unlawful conscription of civilian assets and press ganging and inland piracy executed in Breach of Trust against herself and other members of the peaceful civilian population of The United States and the lawful interests of The United States of America, are forfeit to the people harmed by this scheme, together with all purloined assets belonging to the people of The United States and the People of The United States of America, which are covered by this fixture lien and which must be set free of debt and encumbrance and held harmless from any presumption of consignment, donation, being in-debted, pledged, or otherwise obligated for the benefit of the United States or the United States of America or any municipal or territorial corporation associated with these Debtors/DEBTORS.

The Assignor declares that all such clearing house certificates styled as Birth Certificates or BIRTH CERTIFICATES issued against the assets of people born within the borders of one of the Several States of these United States are proof and evidence of Unconscionable Contracts, international Breach of Trust, violation of Commercial Service obligations, and conspiratorial activity against the Constitutions permitting the existence of the Federal Government in sum total.

This fixture lien against the commercial and international trade assets of the Holy See and Westminster and the British Monarch and other Debtors/DEBTORS will remain in place until such time as all Continued on page 6, back of pages throughout this filing are left blank and not to be marked except for affirmation of the record hereby created.

stipulations are met, discharged, or set aside and shall continue in effect pending re-venue and conveyance of all the affected purloined property assets to their original jurisdiction, free and clear of debt or encumbrance. This fixture lien will not be affected by any separate claim or settlement or partial restitution or partial distribution or bankruptcy, successor interest, or claim by any other Principal or Party.

- 3. I am not obligated to serve any Office of Person for any foreign government and I choose not to do so. Any presumption that I am a Warranted Officer or voluntary authorized representative of the United States Government is an error caused by mistakes which will be herein declared;
- 4. My DNA and other physical attributes pre-date the acquisition of any name and I claim them as a gift from the moment of my present incarnation, forever before and forever after;
- 5. My parents gave me my first two names as gifts on June 6, 1956;
- 6. My first given name was: Anna Maria Wilhelmina Hanna Sophia Riezinger von Reitzensten von Lettow- Vorbeck:
- 7. My second Given Name was: Anna Maria Riezinger, which served to identify me in school;
- 8. This second Given Name was mistakenly registered by my Mother, who was acting under conditions of non-disclosure and semantic confusion; she later recognized her mistake and repudiated her signature and recorded this as an "Affidavit of Political Status and Action" on the Public Record of the Register of Deeds, item 367314, Book 570, Page 349-355, October 19, 2012;
- 9. This was, of course, decades after the mistake had been made;
- 10. The initial Registration error created a form of identity theft as my second Given Name was then misapplied to a Foreign Person —specifically, to a British Territorial United States Citizen;
- 11. As a result of this mistaken identity, the State of Wisconsin seized upon my name and assets and presumed British Territorial United States Citizenship obligations on me without my parent's knowledge or consent and without my knowledge that any such registration and conveyance ever took place;
- 12. I was only three-weeks old when this error and the Unconscionable resulting registration and conveyance occurred on June 28, 1956;
- 13. It took many years to figure out what happened, where, and when, because no disclosure was ever given to me or my parents about any of these process or the resulting Legal Presumptions;
- 14. I am now addressing this circumstance with a CORRECTION INSTRUMENT;
- 15. The British Territorial corporation operating as the State of Wisconsin seized upon my American Person's Given Name, misidentified it as a British Territorial Citizen, and registered it with the US Department of Commerce, which created multiple Municipal PERSONS including a Cestui Que Vie ESTATE Trust, doing business as ANNA MARIA RIEZINGER, a Puerto Rican Public Transmitting Utility doing business as ANNA M RIEZINGER, and a Public Charitable Trust doing business as ANNA RIEZINGER. These incorporated Municipal United States PERSONS were enrolled as

- "citizens of the United States" as a result of additional misdirection and mistakes that were made as a direct result of the original incorrect registration made in Neillsville, Clark County, Wisconsin;
- 16. For example, I was told that I was required to apply for a Social Security Number and account before I could have a job. It turns out that that was only true, if I was seeking to join the United States Military or the Federal Civil Service or wanted Federal welfare benefits --- none of which applied to my situation or intention. I never in fact willingly, knowingly or voluntarily and under conditions of full disclosure occupied any such job or applied for any such welfare benefits; to the extent that I did these things, made these applications, or received any benefit, I acted without conscious knowledge and without full disclosure of the circumstance;
- 17. Similarly, I was told by apparently responsible people that I had to have a Driver License, though I was never in fact engaged in transport for hire activities, never knowingly acted as a Motor Vehicle Operator, or Common Carrier;
- 18. I was also incorrectly told that I had to have a Marriage License, which resulted without my knowledge or consent in the State of Alaska acquiring a silent partnership and undisclosed ownership interest in a purported Joint Venture between my husband and myself--- and in the products of that Joint Venture --- my children;
- 19. I was also instructed that I had to pay Federal Income Taxes and keep records of any income I received, when in fact I was not in receipt of any Federal Income, not a Federal Employee, Volunteer, Dependent, or Political Asylum Seeker, nor did I ever know that my Given Name had been converted into the Business Name of a US CORPORATION with many DERIVATIVES and PKIs. I later found out that a Withholding Agent is a Warrant Officer in the British Merchant Marine Service, commonly employed in Customs Houses or onboard commercial transport ships; it is ludicrous to propose that I ever knowingly, willingly, knowledgeably, or voluntarily occupied such an Office, and to the extent that I ever affirmed that I did when signing 1040 Forms, it was again a mistake and misdirection resulting from Breach of Trust and Unconscionable Contracting Processes;
- 20. These foreign, silent, and unlawful conversions and conveyances and their attendant false Legal Presumptions were all based on a single improper registration made by my Mother acting without any benefit of full disclosure at all;
- 21. The Municipal United States PERSONS created by the aforementioned processes described in Item 15 of this Testimony in the Form of an Affidavit were received as "new deposits" belonging to the United States Municipal Government within the meaning and intent of Presidential Proclamation 2039 made March 6, 1933 by then- President of the United States Franklin Delano Roosevelt.
- 22. I shall quote it, in part: "....the Secretary of the Treasury, with the approval of the President and under such regulations as he may prescribe, is authorized and empowered (a) to permit any of all of such banking institutions to perform any or all of the usual banking functions, (b) to direct, require or permit the issuance of clearing house certificates or other evidences of claims against assets of banking institutions, and (c) to authorize and direct the creation in such banking institutions of special trust accounts for the receipt of new deposits which shall be subject to withdrawal on demand without any restriction or limitation and shall be kept separately in cash or on deposit in Federal Reserve Banks or invested-in obligations of the [Municipal] United States."
- 23. The Municipal United States Government issued Birth Certificates --- the "clearing house certificates" mentioned in the Presidential Proclamation above, and deposited the my purloined

Page 2 of 6

Given Name and the names of millions of other American babies--- all misidentified as British Territorial Citizens --- together with the mistakenly signed Application for a Certificate of Live Birth provided by our unwitting Mothers, as assets of the United State Government, warehoused with the Depository Trust Company (DTC) located in New York City which functions as a peculiar bank warehousing and securitizing the assets of the victims and issuing bonds against the value of their labor and expected lifetime earnings. This is evidently a deliberate and calculated constructive fraud scheme designed to enslave millions of innocent babies without their knowledge or consent, and is designed to obligate them as chattel for debts they don't owe;

- 24. The Depository Trust Company DTC, Inc.-- then issued bonds based on the value of my labor and expected lifetime earnings as a ---purportedly--- Municipal United States Government slave;
- 25. The DTC then deposited these illegal collateral assets with its own in-house holding company, Cede and Company;
- 26. This scheme was conceived by the Franklin Delano Roosevelt Administration and the proceeds from these "special trust accounts" referenced by FDR's Presidential Proclamation 2039 were routed into cash deposits in the Federal Reserve Banks, that is, the Federal Reserve Banks issued Federal Reserve Notes based on the value of our slave labor, "or invested in obligations of the [Municipal] United States"--- meaning United States Treasury Bonds, which the Federal Reserve buys---- again, using the value of our slave labor;
- 27. This is going on in broad daylight in the Land of the Free, and now, has been spread throughout the world by corrupt incorporated commercial "Governmental Services Corporations" masquerading as actual National Governments----all this despite the fact that both slavery and involuntary peonage have been supposedly abolished worldwide and outlawed since 1926;
- 28. On October 10, 1981, I adopted a Third Name as a Pen Name: Anna von Reitz;
- 29. Anna von Reitz is a self-created, non-commercial, private American State Person;
- 30. Shortly thereafter, in December 1981, I combined Anna von Reitz with Anna Maria Riezinger to create a fourth name for similar private purposes: Anna M Riezinger von Reitz and the variation: Anna M Riezinger-Von Reitz;
- 31. Because Anna Maria Riezinger was misidentified as a British Territorial United States Citizen, these later creations of mine were also presumed to be British Territorial entities and passed through the same mill-like process--- (1) were misidentified accidentally-on-purpose as British Territorial United States Citizens, (2) unlawfully converted and conveyed as such, then (3) sold on as chattel assets to the Municipal United States Government and (4) unlawfully converted a second time into US PERSONS presumed to be "citizens of the United States"—purportedly pledged to pay the debts of the Municipal United States Government, which is a foreign Plenary Oligarchy perched on our shores, and which is supposed to be limited in its operations to ten miles square in the District of Columbia;
- 32. All this constructive fraud and commercial fraud is being promoted and foisted off onto Americans by our own mismanaged and misdirected Public Employees acting in Gross Breach of Trust. Its being done to us by Foreign Principals and foreign commercial corporations that owe us Good Faith Service and which are obligated and under contract to protect our Persons and other assets;
- 33. These same Personnel are in fact sworn to protect us and our Persons from "any enemy foreign or domestic". They have self-evidently fallen far down on the job;
- 34. I testify with first-hand knowledge that any Municipal franchise operating as ANNA M RIEZINGER or ANNA MARIA RIEZINGER or ANNA VON REITZ or ANNA M. RIEZINGER VON REITZ or any

- permutation or variation or ordering of these derivatives based on my purloined Good Name, has been created by exactly this hidden, outrageous and criminal process, without my knowledge, without disclosure, without any knowing consensual agreement on my part;
- 35. None of these purported British United States Citizens and none of these Municipal PERSONS impersonating me have any valid reason or authorization to exist so far as I am concerned; the whole circumstance reeks of conspiracy against our Constitutional Guarantees and commercial constructive fraud schemes resulting in Odious Debt;
- 36. None of the purported British Territorial United States Citizens nor any Municipal PERSON have any right, reason, or granted authority to speak for me or concoct any of these Legal Fictions in abuse of my Common Law Copyrights and Trademarks;
- 37. None of these Legal Fiction entities are empowered to make any valid PLEDGE or Pledge for me and I have never knowingly, willingly, and under conditions of full disclosure ever authorized any Person including the State of Wisconsin to act as my Trustee, nor did my Mother ever knowingly, willingly, and with full disclosure agree to sign me over as a chattel backing the debts of any such incorporated entity;
- 38. My right to contract is also my right not to contract;
- 39. I do not allow any hypothecation of foreign public debt against my private or public assets nor do I tolerate or promote crimes of slavery or involuntary peonage of any kind;
- 40. Pursuant to the exemption and exoneration clauses of Presidential Proclamation 2039, I demand the immediate withdrawal of any quote "new deposits" unquote that my Mother mistakenly made with the Clark County Registrar and hereby publish and give Notice of my demand;
- 41. Pursuant to the exemption and exoneration clauses of Public Law 107-293, I declare that I have never knowingly, willingly, voluntarily, intentionally, and under conditions of full disclosure ever pledged my allegiance to any foreign government for any purpose or inducement or benefit or emolument whatsoever;
- 42. Pursuant to the exemption and exoneration clauses of the Trading With the Enemy Act codified as 50 USC Subsection 7 (c) and (e) published in 2012, I declare that I, and my ancestors, and my State of the Union, Wisconsin, were never involved in the commercial mercenary conflict known as The American Civil War, never in any state of rebellion or insurrection, and that have I ever been a combatant or enemy or knowing ally of any enemy of the United States or the United States of America.
- 43. I declare that the Public Records and Clerical Records of my parentage and both my paternal and maternal lineages are clear and unblemished and have been properly published for all to see for the better part of a thousand years, up to and including the present generation. There is no valid or plausible excuse for any Principal or Party to claim that I am an Unknown Person, that I am "lost" in any jurisdiction of the Earth or the Law, that I am the product of adultery, a bastard, an illegitimate child, a castaway, a criminal, a runaway slave, or any other fanciful denigration anyone might offer as an excuse for their own Breach of Trust and mistreatment of their Employers;
- 44. I hereby correct the Public Record of the Clark County Registrar to reflect my birthright political status as a Wisconsin national, and I dispense with any idea that anyone might have that I have any need, cause, reason, or desire to be counted as a British Territorial United States Citizen or a Municipal "citizen of the United States";
- 45. In concert with all the other lies and deceits and omissions with which I and many others have had to contend as a result of the semantic confusions and non-disclosures and Unconscionable

Page 4 of 6

- Contracting practices described herein, there has been a mistaken idea that the American Government somehow ceased to exist simply because one of our three (3) Federal Subcontractors went bankrupt and otherwise failed to function in the wake of The American Civil War.
- 46. We, the American States and People, have carried on and done our work and the work of our absent Federal Subcontractor, too, and we have done it without the benefit of being assisted or properly informed about the situation by our other two feckless, disloyal, incompetent, self-interested and criminally-minded foreign Federal Subcontractors posing as our Allies and Friends;
- 47. My contracts with these referenced Federal Government Subcontractors are clearly spelled out as The Constitution of the United States and The Constitution of the United States of America, and I hold these Subcontractors and their Employees 100% personally and commercially liable for their actions and inactions;
- 48. I have no contracts at all with the Territorial State of State and Municipal STATE OF STATE and Municipal Borough franchises and am not subject to their statutory laws and regulations and codes;
- 49. I must point out that none of the Municipal PERSONS, including ANNA MARIA RIEZINGER, are even authorized to exist, much less function outside the narrow confines marked out for them by the Boundary Stones of Washington, DC; no Amendment to The Constitution of the United States has been approved or ratified by the actual States of the Union, thus no agreement to allow the proliferation of 185,000 Municipal Corporations on our soil exists, nor has there been any honest discussion or National Plebiscite about any of these deplorable conditions, the issues they cause, or efforts to find peaceful solutions;
- 50. My public duty is to prevent any more crime or usurpation from happening, which I shall pursue by all means possible;
- 51. I repudiate and deny any claim that my land and soil located in the Matanuska-Susitna Valley of Alaska is income producing commercial, agricultural or residential property;
- 52. I deny that any incorporated Borough or foreign State-of-State franchise organization has any valid interest in my private or public property;
- 53. I repudiate any claim that I owe any Federal Income Taxes at all or ever did;
- 54. Rather, I declare that I and my family made a series of mistakes induced by purposeful and self-interested non-disclosure and venal contracting practices. I declare that we paid a tremendous amount of money and labor and other assets that none of us actually owed to the Internal Revenue Service, Inc. the Social Security Administration, the State of Wisconsin and the STATE OF ALASKA and a horde of similar other out-of-control Federal franchise entities;
- 55. As a result, these incorporated entities, these franchises and their Foreign Principals, now owe me and millions of other Americans a very large debt and they cannot justify any claim that I owe them as much as the sweat from my eyebrows;
- 56. The debts of these Foreign Principals go far beyond debts of actual assets like gold or silver, or intellectual property like our purloined copyrights and trademarks; their debts to us include American lives spent to defend them in two World Wars and countless minor conflicts. They owe us what cannot ever be repaid;
- 57. I heartily deny and repudiate the existence of any federal citizens associated with me, any pledges, signatures, records, federal liens or anything else that has been misconstrued or created as a result of the events and circumstances described in this Testimony;

58. This Testimony is provided freely and without the United States, without the United States of America, and is provided absent coercion. I believe this Testimony to be true and complete, and I place this Testimony on the public record and publish it without any intention to deceive or evade any valid obligation of mine and I allow that it is subject to the penalties of perjury under the Public Law of The United States of America.
