[BANK HOLIDAY, MARCH 5 - 9, 1933, INCLUSIVE.]

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

WHEREAS there have been heavy and unwarranted withdrawals of gold and currency from our banking institutions for the purpose of hoarding; and

WHEREAS continuous and increasingly extensive speculative activity abroad in foreign exchange has resulted in severe drains on the Nation's stocks of gold; and

WHEREAS these conditions have created a national emergency; and

WHEREAS it is in the best interests of all bank depositors that a period of respite be provided with a view to preventing further hoarding of coin, bullion or currency or speculation in foreign exchange and permitting the application of appropriate measures to protect the interests of our people; and

WHEREAS it is provided in Section 5 (b) of the Act of October 6, 1917 (40 Stat. L. 411) as amended, "That the President may investigate, regulate, or prohibit, under such rules and regulations as he may prescribe, by means of licenses or otherwise, any transactions in foreign exchange and the export, hoarding, melting, or earmarking of gold or silver coin or bullion or currency"; and

WHEREAS it is provided in Section 16 of the said Act "that whoever shall willfully violate any of the provisions of this Act or of any license, rule, or regulation issued thereunder, and whoever shall willfully violate, neglect, or refuse to comply with any order of the President issued in compliance with the provisions of this Act, shall, upon conviction, be fined not more than \$10,000, or, if a natural person, imprisoned

for not more than ten years, or both; \*\*\*;

**NOW, THEREFORE, I, Franklin D. Roosevelt, President of the United States of America, in view of such national emergency and by virtue of the authority vested in me by said Act and in order to prevent the export, hoarding, or carrying of gold or silver coin or bullion or currency, do hereby proclaim, order, direct and declare that from Monday, the sixth day of March, to Thursday, the ninth day of March, Nineteen Hundred and Thirty Three, both dates inclusive, there shall be maintained and observed by all banking institutions and all branches thereof located in the United States of America, including the territories and insular possessions, a bank holiday, and that during said period all banking transactions shall be suspended. During such holiday, excepting as hereinafter provided, no such banking institution or branch shall pay out, export, carry, or permit the withdrawal or transfer in any manner or by any device whatsoever, of any gold or silver coin or bullion or currency or take any other action which might facilitate the hoarding thereof; nor shall any such banking institution or branch pay out deposits, make loans or discounts, deal in foreign exchange, transfer credits from the United States to any place abroad, or transact any other banking business whatsoever.**

During such holiday, the Secretary of the Treasury, with the approval of the President and under such regulations as he may prescribe, is authorized and empowered (a) to permit any or all of such banking institutions to perform any or all of the usual banking functions, (b) to direct, require or permit the issuance of clearing house certificates or other evidences of claims against assets of banking institutions, and (c) to authorize and direct the creation in such banking institutions of special trust accounts for the receipt of new deposits which shall be subject to withdrawal on demand

without any restriction or limitation and shall be kept separately in cash or on deposit in Federal Reserve Banks or invested in obligations of the United States.

As used in this order the term "banking institutions" shall include all Federal Reserve banks, national banking associations, banks, trust companies, savings banks, building and loan associations, credit unions, or other corporations, partnerships, associations or persons, engaged in the business of receiving deposits, making loans, discounting business paper, or transacting any other form of banking business.

## Testimony in the Form of an Affidavit

1. Wisconsin is a sovereign State of the Union and I am a Wisconsinite;
2. Neither I nor my State of the Union are at war with anyone or anything and have not been at war since 1814. I affirm that I am not a combatant nor have I ever been an enemy or ally of any enemy of the United States nor any enemy or enemy ally of the United States of America;
3. I am not obligated to serve any Office of Person for any foreign government and I choose not to do so. Any presumption that I am a Warranted Officer or voluntary authorized representative of the United States Government is an error caused by mistakes which will be herein declared;
4. My DNA and other physical attributes pre-date the acquisition of any name and I claim them as a gift from the moment of my present incarnation, forever before and forever after;
5. My parents gave me my first two names as gifts on June 6, 1956;
6. My first given name was: Anna Maria Wilhelmina Hanna Sophia Riezinger – von Reitzensten von Lettow- Vorbeck;
7. My second Given Name was: Anna Maria Riezinger, which served to identify me in school;
8. This second Given Name was mistakenly registered by my Mother, who was acting under conditions of non-disclosure and semantic confusion; she later recognized her mistake and repudiated her signature and recorded this as an "Affidavit of Political Status and Action" on the Public Record of the Register of Deeds, item 367314, Book 570, Page 349-355, October 19, 2012;
9. This was, of course, decades after the mistake had been made;
10. The initial Registration error created a form of identity theft as my second Given Name was then misapplied to a Foreign Person ---specifically, to a British Territorial United States Citizen;
11. As a result of this mistaken identity, the State of Wisconsin seized upon my name and assets and presumed British Territorial United States Citizenship obligations on me without my parent's knowledge or consent and without my knowledge that any such registration and conveyance ever took place;
12. I was only three-weeks old when this error and the Unconscionable resulting registration and conveyance occurred on June 28, 1956;
13. It took many years to figure out what happened, where, and when, because no disclosure was ever given to me or my parents about any of these process or the resulting Legal Presumptions;
14. I am now addressing this circumstance with a CORRECTION INSTRUMENT;
15. The British Territorial corporation operating as the State of Wisconsin seized upon my American Person's Given Name, misidentified it as a British Territorial Citizen, and registered it with the US Department of Commerce, which created multiple Municipal PERSONS including a Cestui Que Vie ESTATE Trust, doing business as ANNA MARIA RIEZINGER, a Puerto Rican Public Transmitting Utility doing business as ANNA M RIEZINGER, and a Public Charitable Trust doing business as ANNA RIEZINGER. These incorporated Municipal United States PERSONS were enrolled as

- “citizens of the United States” as a result of additional misdirection and mistakes that were made as a direct result of the original incorrect registration made in Neillsville, Clark County, Wisconsin;
16. For example, I was told that I was required to apply for a Social Security Number and account before I could have a job. It turns out that that was only true, if I was seeking to join the United States Military or the Federal Civil Service or wanted Federal welfare benefits --- none of which applied to my situation or intention. I never in fact willingly, knowingly or voluntarily and under conditions of full disclosure occupied any such job or applied for any such welfare benefits; to the extent that I did these things, made these applications, or received any benefit, I acted without conscious knowledge and without full disclosure of the circumstance;
  17. Similarly, I was told – by apparently responsible people – that I had to have a Driver License, though I was never in fact engaged in transport for hire activities, never knowingly acted as a Motor Vehicle Operator, or Common Carrier;
  18. I was also incorrectly told that I had to have a Marriage License, which resulted without my knowledge or consent in the State of Alaska acquiring a silent partnership and undisclosed ownership interest in a purported Joint Venture between my husband and myself--- and in the products of that Joint Venture --- my children;
  19. I was also instructed that I had to pay Federal Income Taxes and keep records of any income I received, when in fact I was not in receipt of any Federal Income, not a Federal Employee, Volunteer, Dependent, or Political Asylum Seeker, nor did I ever know that my Given Name had been converted into the Business Name of a US CORPORATION with many DERIVATIVES and PKIs. I later found out that a Withholding Agent is a Warrant Officer in the British Merchant Marine Service, commonly employed in Customs Houses or onboard commercial transport ships; it is ludicrous to propose that I ever knowingly, willingly, knowledgeable, or voluntarily occupied such an Office, and to the extent that I ever affirmed that I did when signing 1040 Forms, it was again a mistake and misdirection resulting from Breach of Trust and Unconscionable Contracting Processes;
  20. These foreign, silent, and unlawful conversions and conveyances and their attendant false Legal Presumptions were all based on a single improper registration made by my Mother acting without any benefit of full disclosure at all;
  21. The Municipal United States PERSONS created by the aforementioned processes described in Item 15 of this Testimony in the Form of an Affidavit were received as “new deposits” belonging to the United States Municipal Government within the meaning and intent of Presidential Proclamation 2039 made March 6, 1933 by then- President of the United States Franklin Delano Roosevelt.
  22. I shall quote it, in part: “...the Secretary of the Treasury, with the approval of the President and under such regulations as he may prescribe, is authorized and empowered (a) to permit any of all of such banking institutions to perform any or all of the usual banking functions, (b) to direct, require or permit the issuance of clearing house certificates or other evidences of claims against assets of banking institutions, and (c) to authorize and direct the creation in such banking institutions of special trust accounts for the receipt of new deposits which shall be subject to withdrawal on demand without any restriction or limitation and shall be kept separately in cash or on deposit in Federal Reserve Banks or invested-in obligations of the [Municipal] United States.”
  23. The Municipal United States Government issued Birth Certificates --- the “clearing house certificates” mentioned in the Presidential Proclamation above, and deposited the my purloined

- Given Name and the names of millions of other American babies--- all misidentified as British Territorial Citizens --- together with the mistakenly signed Application for a Certificate of Live Birth provided by our unwitting Mothers, as assets of the United State Government, warehoused with the Depository Trust Company (DTC) located in New York City which functions as a peculiar bank warehousing and securitizing the assets of the victims and issuing bonds against the value of their labor and expected lifetime earnings. This is evidently a deliberate and calculated constructive fraud scheme designed to enslave millions of innocent babies without their knowledge or consent, and is designed to obligate them as chattel for debts they don't owe;
24. The Depository Trust Company – DTC, Inc.-- then issued bonds based on the value of my labor and expected lifetime earnings as a ---purportedly--- Municipal United States Government slave;
  25. The DTC then deposited these illegal collateral assets with its own in-house holding company, Cede and Company;
  26. This scheme was conceived by the Franklin Delano Roosevelt Administration and the proceeds from these "special trust accounts" referenced by FDR's Presidential Proclamation 2039 were routed into cash deposits in the Federal Reserve Banks, that is, the Federal Reserve Banks issued Federal Reserve Notes based on the value of our slave labor, "or invested in obligations of the [Municipal] United States"--- meaning United States Treasury Bonds, which the Federal Reserve buys---- again, using the value of our slave labor;
  27. This is going on in broad daylight in the Land of the Free, and now, has been spread throughout the world by corrupt incorporated commercial "Governmental Services Corporations" masquerading as actual National Governments----all this despite the fact that both slavery and involuntary peonage have been supposedly abolished worldwide and outlawed since 1926;
  28. On October 10, 1981, I adopted a Third Name as a Pen Name: Anna von Reitz;
  29. Anna von Reitz is a self-created, non-commercial, private American State Person;
  30. Shortly thereafter, in December 1981, I combined Anna von Reitz with Anna Maria Riezinger to create a fourth name for similar private purposes: Anna M Riezinger – von Reitz and the variation: Anna M Riezinger-Von Reitz;
  31. Because Anna Maria Riezinger was misidentified as a British Territorial United States Citizen, these later creations of mine were also presumed to be British Territorial entities and passed through the same mill-like process--- (1) were misidentified accidentally-on-purpose as British Territorial United States Citizens, (2) unlawfully converted and conveyed as such, then (3) sold on as chattel assets to the Municipal United States Government and (4) unlawfully converted a second time into US PERSONS presumed to be "citizens of the United States"---purportedly pledged to pay the debts of the Municipal United States Government, which is a foreign Plenary Oligarchy perched on our shores, and which is supposed to be limited in its operations to ten miles square in the District of Columbia;
  32. All this constructive fraud and commercial fraud is being promoted and foisted off onto Americans by our own mismanaged and misdirected Public Employees acting in Gross Breach of Trust. Its being done to us by Foreign Principals and foreign commercial corporations that owe us Good Faith Service and which are obligated and under contract to protect our Persons and other assets;
  33. These same Personnel are in fact sworn to protect us and our Persons from "any enemy foreign or domestic". They have self-evidently fallen far down on the job;
  34. I testify with first-hand knowledge that any Municipal franchise operating as ANNA M RIEZINGER or ANNA MARIA RIEZINGER or ANNA VON REITZ or ANNA M. RIEZINGER – VON REITZ or any

- permutation or variation or ordering of these derivatives based on my purloined Good Name, has been created by exactly this hidden, outrageous and criminal process, without my knowledge, without disclosure, without any knowing consensual agreement on my part;
35. None of these purported British United States Citizens and none of these Municipal PERSONS impersonating me have any valid reason or authorization to exist so far as I am concerned; the whole circumstance reeks of conspiracy against our Constitutional Guarantees and commercial constructive fraud schemes resulting in Odious Debt;
  36. None of the purported British Territorial United States Citizens nor any Municipal PERSON have any right, reason, or granted authority to speak for me or concoct any of these Legal Fictions in abuse of my Common Law Copyrights and Trademarks;
  37. None of these Legal Fiction entities are empowered to make any valid PLEDGE or Pledge for me and I have never knowingly, willingly, and under conditions of full disclosure ever authorized any Person including the State of Wisconsin to act as my Trustee, nor did my Mother ever knowingly, willingly, and with full disclosure agree to sign me over as a chattel backing the debts of any such incorporated entity;
  38. My right to contract is also my right not to contract;
  39. I do not allow any hypothecation of foreign public debt against my private or public assets nor do I tolerate or promote crimes of slavery or involuntary peonage of any kind;
  40. Pursuant to the exemption and exoneration clauses of Presidential Proclamation 2039, I demand the immediate withdrawal of any quote "new deposits" unquote that my Mother mistakenly made with the Clark County Registrar and hereby publish and give Notice of my demand;
  41. Pursuant to the exemption and exoneration clauses of Public Law 107-293, I declare that I have never knowingly, willingly, voluntarily, intentionally, and under conditions of full disclosure ever pledged my allegiance to any foreign government for any purpose or inducement or benefit or emolument whatsoever;
  42. Pursuant to the exemption and exoneration clauses of the Trading With the Enemy Act codified as 50 USC Subsection 7 (c) and (e) published in 2012, I declare that I, and my ancestors, and my State of the Union, Wisconsin, were never involved in the commercial mercenary conflict known as The American Civil War, never in any state of rebellion or insurrection, and that have I ever been a combatant or enemy or knowing ally of any enemy of the United States or the United States of America.
  43. I declare that the Public Records and Clerical Records of my parentage and both my paternal and maternal lineages are clear and unblemished and have been properly published for all to see for the better part of a thousand years, up to and including the present generation. There is no valid or plausible excuse for any Principal or Party to claim that I am an Unknown Person, that I am "lost" in any jurisdiction of the Earth or the Law, that I am the product of adultery, a bastard, an illegitimate child, a castaway, a criminal, a runaway slave, or any other fanciful denigration anyone might offer as an excuse for their own Breach of Trust and mistreatment of their Employers;
  44. I hereby correct the Public Record of the Clark County Registrar to reflect my birthright political status as a Wisconsin national, and I dispense with any idea that anyone might have that I have any need, cause, reason, or desire to be counted as a British Territorial United States Citizen or a Municipal "citizen of the United States";
  45. In concert with all the other lies and deceptions and omissions with which I and many others have had to contend as a result of the semantic confusions and non-disclosures and Unconscionable

Contracting practices described herein, there has been a mistaken idea that the American Government somehow ceased to exist simply because one of our three (3) Federal Subcontractors went bankrupt and otherwise failed to function in the wake of The American Civil War.

46. We, the American States and People, have carried on and done our work and the work of our absent Federal Subcontractor, too, and we have done it without the benefit of being assisted or properly informed about the situation by our other two feckless, disloyal, incompetent, self-interested and criminally-minded foreign Federal Subcontractors posing as our Allies and Friends;
47. My contracts with these referenced Federal Government Subcontractors are clearly spelled out as The Constitution of the United States and The Constitution of the United States of America, and I hold these Subcontractors and their Employees 100% personally and commercially liable for their actions and inactions;
48. I have no contracts at all with the Territorial State of State and Municipal STATE OF STATE and Municipal Borough franchises and am not subject to their statutory laws and regulations and codes;
49. I must point out that none of the Municipal PERSONS, including ANNA MARIA RIEZINGER, are even authorized to exist, much less function outside the narrow confines marked out for them by the Boundary Stones of Washington, DC; no Amendment to The Constitution of the United States has been approved or ratified by the actual States of the Union, thus no agreement to allow the proliferation of 185,000 Municipal Corporations on our soil exists, nor has there been any honest discussion or National Plebiscite about any of these deplorable conditions, the issues they cause, or efforts to find peaceful solutions;
50. My public duty is to prevent any more crime or usurpation from happening, which I shall pursue by all means possible;
51. I repudiate and deny any claim that my land and soil located in the Matanuska-Susitna Valley of Alaska is income producing commercial, agricultural or residential property;
52. I deny that any incorporated Borough or foreign State-of-State franchise organization has any valid interest in my private or public property;
53. I repudiate any claim that I owe any Federal Income Taxes at all or ever did;
54. Rather, I declare that I and my family made a series of mistakes induced by purposeful and self-interested non-disclosure and venal contracting practices. I declare that we paid a tremendous amount of money and labor and other assets that none of us actually owed to the Internal Revenue Service, Inc. the Social Security Administration, the State of Wisconsin and the STATE OF ALASKA and a horde of similar other out-of-control Federal franchise entities;
55. As a result, these incorporated entities, these franchises and their Foreign Principals, now owe me and millions of other Americans a very large debt and they cannot justify any claim that I owe them as much as the sweat from my eyebrows;
56. The debts of these Foreign Principals go far beyond debts of actual assets like gold or silver, or intellectual property like our purloined copyrights and trademarks; their debts to us include American lives spent to defend them in two World Wars and countless minor conflicts. They owe us what cannot ever be repaid;
57. I heartily deny and repudiate the existence of any federal citizens associated with me, any pledges, signatures, records, federal liens or anything else that has been misconstrued or created as a result of the events and circumstances described in this Testimony;

58. This Testimony is provided freely and without the United States, without the United States of America, and is provided absent coercion. I believe this Testimony to be true and complete, and I place this Testimony on the public record and publish it without any intention to deceive or evade any valid obligation of mine and I allow that it is subject to the penalties of perjury under the Public Law of The United States of America.

So said and affirmed this 23<sup>rd</sup> day of December 2019 and witnessed by my hand and seal affixed hereon in the presence of a Public Notary:

By: Anna Maria Riezinger 

Public Notary Jurat

Alaska  
Matanuska Susitna County

I, Jo G. Cassidy, a Public Notary, was visited today by the woman known to me as Anna Maria Riezinger and she did sign this Testimony in the Form of an Affidavit before me and in my presence on this 23 day of December 2019, in Witness thereof, I affix my signature and seal.

By: Jo G. Cassidy . My Commission expires on: Oct. 12, 2021.
