Censure and Removal of Nicholas Kiciak from The Michigan Assembly

To: General Assembly

The Michigan Assembly (TMA)

From: Paul Douglas Peterson

Coordinator

The Michigan Assembly

Whereas The Michigan Assembly Roadmap/Operations Plan (hereinafter, Roadmap) was submitted to each and every TMA member before being asked for agreement, and whereas each member has provided autographed and sealed agreement of same, which includes the TMA Standard of Conduct, thereby ratifying the Roadmap by the GA for the purposes of TMA Assembling phase and;

Whereas each and every assembly member has also provided autographed and sealed Affirmations of Purpose and Conduct, pledging and promising certain affirmations to one another and to the assembly as sovereigns in honor and truth and;

Whereas every sovereign owes everyone else the Law of Peace, and;

Whereas it is within the Coordinator's jurisdiction to take action on these matters in accordance with the Roadmap and member agreements on file and;

Whereas Nicholas Joseph Kiciak has dishonored himself by not keeping his agreement or affirmations in the following ways:

From Article 3374...

- 1. Attacked the Coordinator
- 2. Attacked the foundational elements: The Assembling Process
- 3. Attack progress made so far.
- 5. Attempt to Divide and Conquer.
- 6. Gossip and cast doubts.
- 7. Accuse others of what he's doing himself.
- 9. Private agendas.
- 10. Attempts to hijack meeting agendas (particularly education training with his own disinformation directly contradicting the Coordinator's presentation).
- 11. Lead with ego.

- 12. Attempts to elect himself into several different offices; offers to “help” anyone without being asked and imposing himself on committee functions without appointment.
- 13. Create conflict; refuse to work cooperatively.
- 15. Avoid oversight of his activities; complain about Coordinator role.
- 17. Talk about states’ rights, but don’t talk about states’ responsibilities.
- 20. Ooze disapproval and superiority, et al.
- 21. He’s preachy and drags his philosophical belief system into everything, even the beliefs of the “ancients” with non-specificity.
- 22. Advocate forms of insurrection against the lawful government – currently attempting to file complaints/charges with the Federation for treason on the Coordinator, attempting in my view to force the same situation as Missouri (which the Coordinator and GA there was responsible for) to trick the Federation into thinking they need to dissolve Michigan. No one is with him on that; there is nothing officially afoot like the Missouri situation on Michigan.
- 23. Hyper-critical and “down on everything” advancing the establishment of our Orientation Plan under the guise of establishing assembly structures, which he doesn’t know how to do (hence the need for the Orientation Plan as no one is ready for JA yet, for example).
- 24. He’s an attention seeker, always making everything about him and his concerns/questions (difference between questions and constant challenging).

“We want to bring home as many Americans as we can, but we don’t have to put up with foreign agendas, obstruction, or interference.” And as such, we are implementing our disciplinary process in our Roadmap.

Violations of TMA Roadmap, Standard of Conduct...

- D.1) Adherence to Creator’s Moral Law.
- D.2) There are to be no politics brought from the corporate sea jurisdiction onto the land jurisdiction.
- D.3) There are to be no internal factions, such as enforced personalities or internal relationships that take precedence one over another outside of the proper context of the assembly phase according to lines of responsibilities.
- D.5) Members of The Michigan Assembly are to maintain their honor, integrity (keep their word), civility, and trustworthiness by continually earning other Assembly member’s trust and never betraying it. Personal attacks of any kind will not be tolerated. Lying will not be tolerated. Gossip will not be tolerated. Any discussions dealing with others about behaviors and events must be done with objectivity.
- D.6) Members will conduct themselves with objectivity of perspective and speech (his speech is biased in favor of his indoctrination with an attitude of superiority and “objective reality” presumption).
- D.7) Intolerable behaviors:
 - Personal attacks (particularly on the Coordinator, false accusations).
 - Lying (by misrepresentation and not keeping his word).
 - Lack of transparency (while falsely accusing Coordinator of same).
 - Controlling/withholding information (while falsely accusing Coordinator of same; he only discusses biased points that benefit his ego or how he looks/seems to others).
 - Discussing or releasing Assembly business/information on public channels.
 - Pushing politics or politicking/posturing with assembly members; seeking to do the same with other ASNs.

Violations of TMA Affirmation of Purpose and Conduct:

- Para.1) “...nor act as an insurrectionist...”, which I believe he is doing trying to drum up “treason” charges against the Coordinator.
- Para.2) “...I will conduct myself with honor, respect, peace and love as I self-govern... I will leave my ego at the door,...”
- Para.4) I affirm that I understand the process of Assembling, the plan for reconstructing our lawful government, and my role as an assembly member, as well as the role of the Federation, The United States of America unincorporated, and the Coordinator as Federation representative implementing the assembling process.
- Para.5) I affirm that I am here to support the Assembly... I will not force my will on any member of the Assembly, nor on the Assembly as a Committee of the Whole. I will not gossip, spread rumors, tell lies, hold secret meetings, or engage in any activity to destroy the good work that has been diligently and lovingly accomplished....
- Para.6) I affirm that I will stay in my lane, and will continue to study to educate and inform myself, so that I am able to turn to others to educate and inform. I will refer to myself as an American on the Land & Soil Jurisdiction. I am either an American State National or American State Citizen. [Which as a dual citizen, he is not in terms of standing with the GA. He hasn’t stayed in his lane, learned what we teach, shown any evidence of studying to educate and inform himself in real American government or land jurisdiction, yet wants to educate and inform others with his indoctrination, which he was neither tasked or asked to do, so getting out of his lane to trespass upon Coordinator jurisdiction.]

- Para.7) I affirm that I am aware that The Michigan Assembly consists of willing and able volunteers.... [NK's posturing insinuates and seems to demand the attention and accountability of people who are paid fulltime employees, not volunteer sovereigns.]
- Para.9) I affirm that I will not lie to The Michigan Assembly or the Federation of States, nor misrepresent any information, people, or mission/goal of or to the same.

Further, Nicholas Joseph Kiaciak had submitted American State National (ASN) paperwork to our lead RS and got on the land and soil jurisdiction; however, time would prove out that he never did a voter revocation, nor a military severance letter, which we discovered on December 14th, 2023 ; therefore, he is still and has been from August to December, a dual citizen; both as a MUNICIPAL citizen of the United States and as a British Territorial U.S. Citizen (service with the Marines, no less, who are clearly under admiralty law); and he never declared himself as such from any reading of the Bivens decision, so he's already discredited for failure to disclose. As a self-governing ASN, further pledged and affirmed on the above mentioned autographed and sealed evidence from him, he was responsible for this and his own transparency.

Nicholas Joseph Kiciak was given all this information before he signed agreement to it as an ASN and made his Affirmation, again, with his autograph and seal. And now, in true U.S. Citizen fashion, he's dishonored himself by breaking his word and is in breach of contract. At this point he has broken so many of the provisions in the Roadmap Standard of Conduct that he's blown through all step-by-step chances, and even after an intervention Coordinator call on December 14th, 2023 to try to reach him with course correction, he has continued to ramp up attempts at division, accusations, trespass on the Coordinator jurisdiction, and the like, including now dangerous false accusations that we will certainly not tolerate one bit. All accusations by him now stand rebutted after warning him to cease and desist. Therefore, he will be censured on the record and dismissed from the Assembly for cause in accordance with TMA Roadmap Standard of Conduct.

Therefore, as of December 18th, 2023, this is the official Notice to the Assembly and Nicholas Joseph Kiciak that Nicholas is removed from The Michigan Assembly for cause. Nicholas Joseph Kiciak could have done the honorable thing of removing himself by withdrawing from TMA if he no longer agreed with the Roadmap ASN Agreement in writing; however, he did not do that, but instead sought to violate his agreement and the will of 30 other sovereigns' agreements. No one is obligated to be here in TMA, and we cannot make anyone serve or stay; however, forcing conflict to try and change what has been clearly documented, along with all supporting Federation documentation, and supporting agreements will not be tolerated. We will continue to build TMA into an autonomous government in love and without conflict.

Respectfully submitted,

--
