

The Michigan Assembly Affirmation of Purpose and Conduct

I affirm that I am not a member of any Law Enforcement Agency or Public Agency of the Federal, State, City, County or Township Agency. I will not promote violence of any kind nor act as an insurrectionist or enemy combatant.

I affirm that I will conduct myself with honor, respect, peace and love as I self-govern. I will treat my fellow Living Men and Women in the same manner as I conduct myself. I will leave my ego at the door, because the Assembly has important work to do, and bringing an ego to the table, serves no one, and only causes harm with so much at stake.

I affirm that I have studied the paperwork process and have full knowledge that each Assembly member has autographed their name and sealed their own documents to affirm their status and rebut any Corporate presumptions.

I affirm that I understand the process of Assembling, the plan for reconstructing our lawful government, and my role as an assembly member, as well as the role of the Federation, The United States of America unincorporated, and the Coordinator as Federation representative implementing the assembling process.

I affirm that I am here to support the Assembly and I will do my best to provide my ideas, skills, and talents to those places where they are most needed. I will not force my will on any member of the Assembly, nor on the Assembly as a Committee of the Whole. I will not gossip, spread rumors, tell lies, hold secret meetings, or engage in any activity to destroy the good work that has been diligently and lovingly accomplished. If a course correction needs to be made, then it will be made by the Assembly through the lawful process and procedure.

I affirm that I will stay in my lane, and will continue to study to educate and inform myself, so that I am able to turn to others to educate and inform. I will refer to myself as an American on the Land & Soil Jurisdiction. I am either an American State National or American State Citizen.

I affirm that I am not a Sovereign Citizen, which is an oxymoron --- a mutually exclusive construction, as one cannot act in a sovereign capacity and as a citizen at the same time. The authority of one will not tolerate the capacity of the other, --- provided, of course, that you know what "sovereignty" is and what "citizenship" implies.

I affirm that I am aware that The Michigan Assembly consists of willing and able volunteers. I will donate to The Michigan Assembly, to the best of my ability, either/and money, silver, or gold as a living man or woman, not a Corporate Entity, as well as resources, time, talent, experience, education, training, etc.

I affirm that I do not worship Satan.

I affirm that I will not lie to The Michigan Assembly or the Federation of States, nor misrepresent any information, people, or mission/goal of or to the same.

The Michigan Assembly Members conduct themselves with honor, respect, peace and love. We keep the Peace and uphold the Public Law.
