Notice: Renunciation of Canadian Citizenship

I, a woman with the name Amy Kathleen Hunt, being of age, of sound mind and in good health, free of all duress or improper consideration, hereby give notice of my renunciation of Canadian Citizenship.

I say I was not given full disclosure as to what citizenship entails and is therefore fraud on its face and had I been given full disclosure I would have never applied for such and therefore the contract is void.

I say I do not need anyone's permission to freely renounce citizenship and therefore do not need to "apply" for such renunciation.

I state my only citizenship is that of my state, that being the land and soil on Michigan. See enclosed Declaration of the Naturalization Act of July 1779.

I say I do indeed comprehend what it means to renounce Canadian citizenship and that I willingly give up all supposed "rights" and "privileges" of being a Canadian citizen.

I state I am enclosing my Canadian passport, Certificate of Canadian Citizenship, and Social Insurance Card to you for your disposal.

I say this notice is given in common, American English and not any form of legaleze, dog latin, or ASL.

So said, so signed, and so sealed by my living hand this 8th day of May in the year 2023,
